

# Energize Your Home With Our Save Energy Loan

**5.00%**  
APR\*

## For Home Owners

Borrow up to \$10,000 to make energy-saving improvements that enhance your home's value, lower heating and cooling expenses, and reduce energy consumption. It makes good financial sense to invest in money-saving home improvements.

- Solar hot water/electric systems
- Wind energy generation
- Thermal window replacement
- Insulation
- HVAC upgrades
- Hot water heater upgrades
- Roofing
- Siding

## What A Bright Idea!

\*APR (Annual Percentage Rate) is accurate as of June 1, 2009 and may be discontinued without notice. The APR is fixed for the term of the loan. Loan must be repaid in equal monthly payments for the term of the loan. Loan terms up to 60 months are available. This loan must be secured with a mortgage on the residence. Proof of homeowners insurance required. Valid for owner-occupied residential properties only.
