Carrollton, Ohio—Consumers National Bank kicked off a month-long celebration on Friday, October 16, to mark the 15<sup>th</sup> Anniversary of the opening of its Carrollton office at 1017 Canton Road NW. The bank, which began operations in 1965, has 10 locations in Carroll, Columbiana, and Stark counties. The Carrollton office was the fifth branch to be added to the bank's network.

“We are very proud to celebrate 15 years of business at the Carrollton office,” said Ralph J. Lober, II, President and CEO of Consumers National Bank. “In addition to thanking our Carrollton branch manager Bev Newell and her staff, we would like to thank our customers in the Carrollton community who have banked at Consumers National Bank over the years. Through the support of the community, our branch has been able to grow while meeting the banking needs of Carrollton,” said Lober.

Consumers National Bank recently reconfirmed its commitment to Carrollton by renewing the lease on the office and installing a new state-of-the-art electronic ID sign. The new sign features an LED message center that enables the bank to display messages as well as the time and temperature, a community service that many residents of Carrollton rely on as they drive past the bank's office.

The Carrollton office will continue its 15<sup>th</sup> anniversary through the end of October with food, drawings, and account specials during the week.
