- Total assets increased \$7.34 million, or an annualized 11.1%, during the three months ended September 30, 2010

Minerva, Ohio—October 26, 2010 (OTCBB: CBKM) Consumers Bancorp, Inc. (Consumers) today reported first fiscal quarter 2011 earnings per share of \$0.31 compared to \$0.27 for the previous quarter ended June 30, 2010 and compared to \$0.28 for the same period ended September 30, 2009. Net income for the first fiscal quarter of 2011 was \$633 thousand, an increase of \$85 thousand, or 15.5%, from the previous quarter ended June 30, 2010 and a \$68 thousand, or 12.0%, increase from the same period last year.

Net interest income for the first fiscal quarter of 2011 increased by \$266 thousand from the same period last year, with interest income increasing by \$70 thousand and interest expense decreasing by \$196 thousand. The net interest margin was 4.31% for the quarter ended September 30, 2010 compared to 4.32% for the previous quarter ended June 30, 2010 and 4.18% for the same year ago period. The Corporation's yield on average interest-earning assets declined to 5.19% for the three months ended September 30, 2010 from 5.42% for the same period last year. The Corporation's cost of funds decreased to 1.12% for the three months ended September 30, 2010 from 1.60% for the same period last year.

Other income, excluding net securities gains, was \$589 thousand for the first fiscal quarter of 2011 compared with \$639 thousand for the quarter ended September 30, 2009. Other expenses increased \$127 thousand, or 5.7%, for the first fiscal quarter of 2011 from the same period last year.

Ralph J. Lober, President and Chief Executive Officer, stated, "Significant increases from the previous year in both loan and deposit balances of 7.6% and 8.3%, respectively, have fueled the balance sheet growth and an 11% increase in net interest income from the same period last year. While achieving consistent results throughout the economic downturn and painfully slow recovery, we have continued to invest in our sales staff, facilities and technology. These investments will help us serve our customers as we continue to increase market share throughout our geographic footprint."

Assets at September 30, 2010 totaled \$270.73 million, an increase of \$7.34 million from June 30, 2010. From June 30, 2010, total securities increased by \$7.25 million and deposits increased \$4.31 million.

Non-performing assets were \$2.83 million at September 30, 2010, compared with \$2.37 million at June 30, 2010 and \$2.59 million at September 30, 2009.

The allowance for loan losses as a percent of total loans at September 30, 2010 was 1.35% up from 1.29% at September 30, 2009. “We continue to closely monitor our loan and investment portfolio and believe that, based on recent information, the allowance for loan losses is sufficient to meet probable incurred losses,” commented Lober.
