

Consumers National Bank Celebrates Grand Opening
of Corporate Headquarters and Minerva Branch

Minerva, OH—Consumers National Bank celebrated the official Grand Opening of its new Corporate Headquarters and Minerva Branch on Thursday, June 23, 2016, at 614 E. Lincoln Way in Minerva. Open house and business after hours events included a ribbon-cutting ceremony and a week-long celebration with new account specials, prize drawings, free giveaways, and refreshments at the branch.

Ralph J. Lober, II, President and CEO of Consumers National Bank, Laurie McClellan, Chairman of the Board of Directors, along with Directors, and local officials, cut the ribbon to officially open the new building as the Minerva staff observed.

“While this new building will provide more space, room for growth, and efficiencies, it is important to remember that the bank consists of people—employees and customers—who are dedicated to serving the community,” said Lober.

Due to consistent growth and addition of staff over the last several years, the bank has outgrown its original 1965 building and subsequent additions. “Our decision to maintain our new headquarters in the original location in Minerva that our founders selected was critical to our Board and management team as community bankers. We believe it exemplifies our commitment to the community and to our customers. Our roots and our future are in Minerva,” said Lober.

“Consumers’ expansion not only enlarges the bank, it fosters economic growth through wages and benefits for our growing staff members within Stark and surrounding counties,” said Lober.
