

## Consumers National Bank Opens New Corporate Headquarters and Minerva Branch

Minerva, OH—Consumers National Bank opened its new Corporate Headquarters and Minerva Branch today at 614 E. Lincoln Way in Minerva. Debra Stephens was greeted by Theresa Linder, assistant vice president and branch manager as the first customer served when the new branch opened for business at 9 a.m. “So far I really like it. It looks great! Consumers has been looking forward to this for a while now. I’m excited to be the first customer,” said Stephens.

Due to consistent growth and addition of staff over the last several years, the bank has outgrown its original 1965 building and subsequent additions. “Our decision to maintain our new headquarters in the original location in Minerva that our founders selected was critical to our Board and management team as community bankers. We believe it exemplifies our commitment to the community and to our customers. Our roots and our future are in Minerva,” said Lober.

“Consumers’ expansion not only enlarges the bank, it fosters economic growth through wages and benefits for our growing staff members within Stark and surrounding counties,” said Lober.

“Our entire staff in Minerva will benefit from the addition of much needed space and upgraded facilities provided in the new building. The 30,000 square foot facility will provide room for 50 percent future growth as well. The building will provide a greatly enhanced customer experience as well as improved efficiency and communication. In addition to providing needed customer service and training facilities, the space will also allow us to bring certain departments back to Minerva, increasing employment in our hometown,” said Lober.

A grand opening celebration is being planned for the spring and will include an open house, family events, prizes and new account specials.
