Minerva, Ohio—Consumers National Bank President & CEO Ralph Lober, II was joined by Stow Mayor Sara Drew and Stow-Munroe Falls Chamber of Commerce Executive Director Doris Stewart at a ribbon cutting ceremony to formally open the new Business Lending office at 3885 Darrow Road in Stow. The bank’s new location marks its expansion into Summit County and its first exclusively lending facility.

“Consumers National Bank is a strong, local financial organization with a solid history of community lending. As part of our long-term strategic plan, Consumers is taking this opportunity to provide a local office for our existing Summit County clients and bring our unique business lending philosophy to more businesses and farms in Summit and Portage counties. We are very pleased to be in Stow,” said Lober.

Daniel Minick is Vice President and Akron Metro Area Manager at Consumers’ Stow Business Lending office. Minick has 25 years of banking experience primarily as a commercial lender at community banks in the Summit County market. Minick volunteers with Cub Scouts and is a Board member of CIC for the City of Stow where he resides with his wife Marci and their three children. “We are extremely pleased that Dan has joined our team to help us grow our Akron Metro presence and service our current customers in the area. His significant banking experience coupled with his knowledge of the local businesses will be a recipe for success as we carry out our strategic plan,” said Senior Loan Officer Scott Dodds, SVP.

Business Development Officer Harry Eaton, AVP, a resident of Stow who has more than 35 years of banking experience in the greater Akron market will work out of the new office as well. “Harry brings a combination of local knowledge of the market and long experience in business lending to the new Stow Business Lending office. Harry has a community bank philosophy of lending that is missing in Stow and its neighboring communities, and that is what will make Consumers National Bank different and successful in this market,” said Dodds.
