CONSUMERS NATIONAL BANK SUPPORTS SALEM REGIONAL MEDICAL CENTER'S CANCER CARE EXPANSION PROJECT

Minerva, Ohio—Consumers National Bank announced today that it has made a five-year donation pledge to Salem Regional Medical Center (SRMC) Foundation's "Community Champions—Expanding Cancer Care Together" capital campaign to enhance local access to cancer care through its oncology services expansion project.

"Consumers National Bank is proud to sponsor one of the treatment bays in the oncology department expansion at SRMC which will be providing local access to state-of-the-art oncology services. We are proud to see a strong medical institution located in Salem that has been providing health services since 1907, said Ralph J. Lober, President and CEO of Consumers National Bank.

“As an independent community bank serving Salem, we appreciate the importance of having an independent medical facility like SRMC available to the residents of the greater Salem community. Access to high quality medical care has a strong impact on the local economy,” said Lober.

“With Columbiana County’s above average cancer rate for the region, many residents have been touched by cancer. With Consumers Bank’s investment in the SRMC, we are investing in the community and the people we serve on a daily basis,” said Lober.

In addition to their capital campaign donation, Consumers Bank also chose to sponsor both the Hearts and Stars Ball and Golf Classic this year. “Consumers Bank has gone above and beyond in their support of SRMC this year. They recognize the need to invest in the overall health and wellbeing of our community,” said Lisa Long, SRMC Director of Development. “SRMC is so thankful for their partnership.”
