Minerva, Ohio—January 28, 2011 (OTCBB: CBKM) Consumers Bancorp, Inc. (Consumers) today reported second fiscal quarter 2011 earnings per share of \$0.28 compared to \$0.31 for the previous quarter ended September 30, 2010 and compared to \$0.25 for the same period ended December 31, 2009. Net income for the second fiscal quarter of 2011 was \$574 thousand, a decrease of \$59 thousand, or 9.3%, from the previous quarter ended September 30, 2010 and an increase of \$73 thousand, or 14.6%, from the same period last year.

For the six months ended December 31, 2010, net income was \$1.2 million compared to \$1.1 million for the same period last year. Fiscal year-to-date net income per share increased by 13.5% to \$0.59 compared to \$0.52 for the same period last year. Return on average assets and return on average equity for the six months ended December 31, 2010 were 0.88% and 9.85%, respectively, compared to 0.84% and 9.42%, respectively, for the same period last year.

Net interest income for the second fiscal quarter of 2011 increased by \$181 thousand, with interest income increasing by \$19 thousand and interest expense decreasing by \$162 thousand, from the same period last year. The net interest margin was 4.20% for the quarter ended December 31, 2010 compared to 4.31% for the previous quarter ended September 30, 2010 and 4.23% for the same year ago period. The Corporation's yield on average interest-earning assets declined to 4.97% for the three months ended December 31, 2010 from 5.32% for the same period last year. The Corporation's cost of funds decreased to 1.02% for the three months ended December 31, 2010 from 1.45% for the same period last year.

Other income, excluding net securities gains and an additional impairment loss on a Trust Preferred security, was \$579 thousand for the second fiscal quarter of 2011 compared with \$618 thousand for the quarter ended December 31, 2009. Other expenses increased \$123 thousand, or 5.5%, for the second fiscal quarter of 2011 from the same period last year.

Ralph J. Lober, President and Chief Executive Officer, stated, "quarter and year-to-date results reflect market share increases achieved over the last few years. We have successfully absorbed the costs of additional regulatory directives and we believe that recent investments in business development activities and in our facilities will help the Bank offset income opportunities lost to these regulatory policies. We continue to attract new personal, small business and agricultural customers. Cautious growth has provided consistent results."

Assets at December 31, 2010 totaled \$277.1 million, an increase of \$13.7 million from June 30, 2010. From June 30, 2010, total securities increased by \$10.3 million, loans increased \$2.4 million and deposits increased \$13.2 million.

Non-performing assets were \$2.2 million at December 31, 2010, compared with \$2.4 million at June 30, 2010 and \$2.8 million at December 31, 2009.

The allowance for loan losses as a percent of total loans at December 31, 2010 was 1.28% and 1.30% at December 31, 2009. "As the economic recovery progresses at a slow pace, we continue to closely monitor our loan and investment portfolio and believe that, based on recent information, the allowance for loan losses is sufficient to meet probable incurred losses," commented Lober.
